

RM-CESU Executive Meeting
October 17th, 2007
1:00 – 4:30 PM
University of Utah
Aline Skaggs Building, room 504
Salt Lake City, UT

Agenda

Updates

1. FY07 RM-CESU Activity (Preliminary Report) - Lisa Gerloff
2. FY07 NPS RM-CESU Activity – Kathy Tonnessen/Christine Whitacre
3. Other

Discussion Items

4. CESU internship options – Ben Baldwin - PPT presentation/discussion/decision
5. Request for Partnership by US Army Core of Engineer Research and Development Center (ERDC) - document attached
6. RM-CESU IGERT Proposal – Theme: Rocky Mountain Region: How agencies should respond to changing landscape (key species, growth, climate change)
Pre-meeting assignment: We would like each university partner to come to SLC with two names (if possible) - one natural scientist and one social scientist that may have interest in participating in a workshop to scope out and write an IGERT proposal on the theme above.
7. Review RM-CESU Mission/Vision – included in attached Strategic Plan document
8. RM-CESU Partner Roles and Responsibilities - document attached
9. Do member universities have "affiliated" campuses - and do the Federal members have access to these campuses as part of the RM-CESU agreement
10. Other
