FCFC TRAVEL GUIDELINES & PROCEDURES

TRAVEL PAPERWORK – RATTER

WHAT? RAT is a Request and Authorization for Travel required for all travel outside of the city of Missoula. TER is a Travel Expense Report that tells the complete and detailed story of how the trip happened and what the total travel expense was.

WHY? A signed RAT is your supervisor’s/PI’s authorization for both travel and the funding source covering the expenses. A TER is needed to close the travel and to process any reimbursements due to the traveler.

HOW? Submit a RAT prior to departure, or when you make the first purchase for the trip (flights, hotel, registration etc.), whichever comes first. Submit a TER with itemized receipts within 30 days of trip completion.

Always use the latest version of the RATTER form (Excel spreadsheet), which can be found on Business Services website under “Key Resources”: Travel Authorization/Expense Report: http://www.umt.edu/business-services/Employees/Services/Accounts%20Payable/Travel.php

Non-Overnight Meal Per Diem

• Non-Overnight meals are determined by the travel shift: A travel shift is defined as 1 hour before the employees regularly assigned work shift begins and 1 hour after the work shift ends. Standard UM Shift is 8-5.
• During this travel shift only one (1) meal can be claimed.
• When a departure or a return occurs outside of the travel shift that additional meal can be reimbursed.
• When travel is totally outside of the daily travel shift times all 3 meals can be claimed for reimbursement.
• Non-Overnight meals are a taxable benefit. Meals are paid by accounts payable and reported to Human Resource Services for tax deduction from your paycheck.
• Group travel cannot be used for non-overnight travel due to the tax liability.

TRAVEL ADVANCE

• Only for foreign and student travel to cover out-of-pocket expenses, such as lodging, rental vehicle and fuel, anticipated mileage on personal vehicle, ground transportation, airline tickets, and registration fees, when arrangements cannot be made to pay with a UM procard.
• Once travel is complete, a TER must be submitted within 30 days with itemized receipts. If too much travel advance was paid, the traveler must bring the FCFC Accounting Office a check to pay back the excess amount.

GROUP TRAVEL

• To qualify for group travel two (2) or more travelers must be traveling at the same time, in the same mode of transportation, to the same event, and stay at the same hotel. If any of the travelers have any deviation from that they cannot be included as part of a group travel.
• A Group Travel Notification Form [http://www.umt.edu/business-services/files/GroupForm.html](http://www.umt.edu/business-services/files/GroupForm.html) must be attached.
• If per diem meal is claimed, all travelers must submit individual RATTERs.
FOREIGN TRAVEL

- Foreign travel has additional requirements. When planning international travel, please always contact the Accounting Office staff for details and instructions.
- International travel should be registered at least 30 days prior to departure on the Academic Enrichment website: http://www.umt.edu/academic-enrichment/education-abroad/faculty-resources/travel-registry/default.php where you will find more details and instructions.
- All students traveling abroad for any university-related activities are required to purchase international insurance coverage from GeoBlue Worldwide Health Insurance for Higher Education except if their program requires them to enroll in a specific insurance policy comparable to GeoBlue’s policy. This policy includes coverage for medical expenses as well as coverage for medical, political & security, and natural disaster evacuation. More information on student insurance http://www.umt.edu/academic-enrichment/education-abroad/um-students/once-accepted/student-insurance.php
- Grants must also follow the travel guidelines of their contract and their granting agency as well as University of Montana travel policies, such as the Fly America Act. Foreign Air Travel Certification Form: https://www.umt.edu/research/ORSP/guidelines/Foreign%20Air%20Travel%20Certification.pdf
- Rental Cars: When traveling in foreign countries, additional insurance coverage should be accepted through the rental agency.
- If the daily meal or lodging costs exceed the rates established by the MT State Statute the traveler may be reimbursed for the actual meal and lodging expenses up to the daily maximum for that specific area. Itemized receipts are required. Rates are available here: Foreign Per Diem Rates: https://aoprals.state.gov/content.asp?content_id=184&menu_id=78
- If meal receipts are not included you will be paid the state foreign per diem rate. Per Diem advances will be issued at $36/day and any difference will be reimbursed upon completion of travel.
- All itemized receipts must be submitted with the converted US dollar amount written on them. See the Currency converter with rate in the past http://fxtop.com/
- The Foreign Meal Worksheet is available on the Business Services’ travel website to be used to account for the meal breakdown for each daily meal to reflect either the state per diem amount, or the receipted amount up to the Department of State Per Diem Rate.
- To look up the Per Diem Breakdown/Lodging rates by area please follow these instructions:
  - The first link on this page takes you to the foreign meal per diem rates by location. Choose a country from the drop down menu on this page. Click Go and it will then take you to a list of cities in that country. Find the M & IE rate (meals and incidentals) for the city (or “other” if not listed and take note of it).
  - Next you will need to go the second link on the home page (FTR Appendix B – Breakdown of Meals/Incidentals). On this page, find the amount listed from the M & IE rate column on the first page. The number will be broken down into four columns: breakfast, lunch, dinner, and incidentals. Add the amounts from the breakfast, lunch and dinner columns for the daily maximum meal per diem total.
