

NOT YOUR ORDINARY JOB!

2019 Wildland Fire Season

If you like hard work, remote and rugged conditions, extended travel and overnight camping, then becoming a Wildland Firefighter may be for you. The Bureau of Land Management (BLM), West Desert District (UT), is looking for seasonal employees to work on a variety of wildland firefighting crews this summer. Firefighting can be a fun summer job, a great career, or a path to other land management careers. Jobs usually begin in May and last through September.
