UM MontanaView Scholarships

$1,000 for your Remote Sensing Project!

Eligibility:

- University of Montana undergraduate, graduate or post-baccalaureate student
- In any discipline
- Has good academic standing
- Working on a project that uses remote sensing – This project must be completed by the end of spring semester 2017 and preference will go to service-learning projects which benefit an identified organization
- Has not received the award before
- Financial need may be used as a secondary criterion

Applicant Checklist:

- Name, Department
- Phone number and email address
- A paper describing how remote sensing was used in your project (max 5 pages, double-spaced)
- Name and email address of your research project advisor
- Two letters of recommendation supporting both the student and the project enclosed in a sealed envelope signed across the envelope flap
- A statement of financial need (if applied)

Number of awards: 2

Application Deadline: 31 March 2017
Recipient Announced: 1 May 2017

Send your application in one envelope to:
