ADVENTURES IN PATAGONIA, CHILE

Kelsey McMullen
ABOUT ME

• Major: Biology, Minor: Wilderness Studies
• Interests: Creative projects, exploring the natural world
• Future goals: Field guide in an experiential education program
SUSTAINABILITY ISSUES

• Reduce, reuse, recycle: “trash house”
• Doable in a supportive environment, government subsidized
• Resourceful
KARLA AND MATIAS
CONTINUING EDUCATION

- How to give back and use what I’ve learned
  - You cannot do it alone
  - Art installation on campus
TOKENS FOR THE FUTURE

• This will shape my future...
  • Tourist vs. traveler
  • Modes of transportation and impact on land
  • Bringing the lifestyle back home
QUOTE FROM THE TRIP

• “Queremos sentir la tierra en nuestros cuerpos”
