Missoula Parks & Recreation INTERN Program Spring/Summer 2020

Application will open February 2020 –

Wage: 10.18 PER HOUR – housing not included

Come live, work, learn & PLAY in awesome Missoula Montana this summer! We have internship positions for a multitude of recreation areas including:

Experiential/Adventure education; sports management, facilities management, recreation software and business management, youth programming, camps, active older adult programming, special events, aquatics, conservation lands management, trail building, mountain bike programming and bike park management AND MORE!

Summer – Must be available for training in Missoula MT starting May 26th

**DEFINITION:**

Under supervision of Recreation Program Supervisor and leadership; as part of a dynamic team, facilitates comprehensive recreational programs for the greater community of Missoula. Position could include work in site facilitation, facility management, inclusive/adaptive programming, adventure outdoor programs, coaching, youth programs, seasonal programs, adult programs, volunteer programs and much more!

**YOUTH PROGRAMS AND ADVENTURE CAMPS**

Responsible for the facilitation and supervision of children in a recreational setting including, but not limited to, youth sports, outdoor activities, arts and crafts, hikes, field trips, games and activities. Includes high adventure and overnight programming if that is an area of interest.

Responsible for the overall safety of the youth in the parks and on field trips.

Maintain a positive attitude and strong work ethic while working with up to 10-25 children daily. Assists with special events throughout the duration of the position. Performs other duties as assigned.

Must have a distinct interest and passion for working with youth. High level of maturity, flexibility, and ability to have fun while creating a positive learning experience is necessary.

**FORT MISSOULA REGIONAL PARK**

Learn the ins and outs of being part of running a multi-sport and special event facility– Fort Missoula Regional Park.

Facilitating adult leagues in soccer, softball and Pickleball. Working tournaments, working with user groups, facility set up and maintenance, registration software, advertising and marketing.

SPECIAL EVENTS – plan, facilitate, and evaluate in house special events with the Fort Missoula Coordinator. Support facility rentals for special events.

**MINIMUM QUALIFICATIONS/EDUCATION/EXPERIENCE:**

Internship is adjacent to coursework and ultimate part of degree in community health or recreation related field.
