This position is perfect for candidates who seek a challenging opportunity to serve the citizens of Missoula. Under the supervision of the Ecosystems Services Superintendent, the Urban Forest Program Manager will recognize and strive for a healthy, vibrant, safe and sustainable urban forest for current and future generations.

The ideal candidate will be able to work in a highly flexible, team-oriented environment, have exceptional communication, analysis and documentation skills, and demonstrate effective time management skills. The Urban Forest Program Manager – Field Operations will assist the City of Missoula in coordinating and directing the planning, development, administration and provision of urban forestry services.

If you thrive on innovation and succeed in a fast-paced environment, please submit your resume. Include a cover letter addressing why you are the best candidate for the position.

Full-time, non-union, $27.6346/hr to $32.123/hr – based on experience and qualifications

Closing date: Friday, April 3, 2020

For a detailed description of duties, responsibilities and qualifications and to apply go to [www.ci.missoula.mt.us/jobs](http://www.ci.missoula.mt.us/jobs).

The City of Missoula is committed to building and sustaining a culture of diversity and inclusion. We embrace and encourage diversity in age, color, ethnicity, family or marital status, gender identity or expression, language, national origin, physical and mental ability, political ideas, race, religion, sexual orientation, socio-economic status, veteran status, and other characteristics that make individuals unique. Reasonable accommodations in the selection process are provided, upon request, for individuals with disabilities. Qualified candidates may request veterans’ or disabilities preference in accordance with state law.
