

2021 Big Sky GeoCon Student Registrations

The Montana Association of Geographic Information Professionals (MAGIP) is pleased to offer ten (10) student registrations to the Big Sky GeoCon being held virtually this year, from April 5-8, 2021. The registrations are awarded in a first-come-first-served manner, and cover the full registration fee for the conference. Please be aware that registrations are only available to students and grad students enrolled in a higher learning institution (state, private, or tribal).

In return for the registrations, students may be asked to assist organizers with conference activities. A coordinator will assist and schedule student assistance. Assistance may be for things like moderating sessions, etc.

Any additional costs, such as workshop fees, will remain the responsibility of the scholarship recipient. The travel stipends that have been offered in the past will not be offered this year as this is a virtual conference. We plan to resume those when we can have in-person conferences again.

Applications received by **5 p.m. on February 19, 2021** will be reviewed and applicants will be notified of results by February 26, 2021.

Preference will be given to those students who are presenting. MAGIP does award cash prizes to winners of the presentation categories. This year, presentation submissions will need to be digitized and submitted as a .pdf, online web map, or mobile application, with additional consideration given to the responses on the attached application. Registrations will then be awarded based on the order in which the applications are received. Additionally, the review panel will strive for a good geographic distribution of applicants.

To Apply:

To apply for this scholarship, please complete the application form and e-mail it to Jenny Connelley, the student coordinator, at the following address jconnelley@bozeman.net

Please use the subject line “Big Sky GeoCon Student Registration Application” in your email. You will be notified that the application has been received and is in review.

Big Sky GeoCon Student Registration Application

Application deadline: **5 p.m. on February 19, 2021.**

Applicants will be notified of results by **February 26, 2021.**

Name: _____

Address: _____ City: _____

State: _____ Zip Code: _____
